## LITTLE LEAGUE GAMES!

By Harry Miller

Baseball action last week found the Sorenson Sluggers blasting the Moose 9-5 and 11-1. Steady pitching by Kim Parkinson and Bill Horning, with alert support from their teammates proved too much for the Moose Club who are now in a tizzy.

The Legion is coming back and is on the warpath, pushing the Legion 7-5. Bob Miller who plays for the Legion Club says "we are going to beat my dad's team this week." His dad manages the Moose team and says "you'll try and beat us."

## Fourth of July Plans Completed

The Grayling Fire Department plans to stage the largest 4th of July celebration ever to be held in Grayling, the highlight of the day being the fireworks display which has never been equaled in Grayling. This year the display will be approximately one hour and 15 minutes, with more aerial bombs than last year, also a new feature added.

The day's events start at 12:30 p.m. with the parade progressing down Michigan Avenue from the hospital to the stoplight, turning south on Business 1-75 to the Legion Hall.

Following the parade, the water battle will be staged on Michigan Ave. between Peninsula and 1-75. For the remainder of the day activity shifts to the City Park where the children will jump right in to the most enjoyable event of the day, the greased pole.

Adults are also invited to try their luck on this event, but of course they may have to take a back seat to their young counterparts.

To get set for the events yet to come, free watermelon will be given out following the greased pole.

At 4:30 p.m. there will be a sack race followed by a foot race for children 12 and under. The final event is for all, the egg toss contest. Then the fireworks followed by a dance for the young people, to be held in front of the City Hall building.

Comprised of Michigan's 2nd Brigade 46th Infantry Division, 2nd Bn, 162nd Artillery and Troop B 1st Sqdn, 146th Cavalry, these are the first Michigan National Guard troops to ever attend Field Training with those of another state. ## Jaycee Notes

The following letter was received by the Grayling Area Jaycees. It was felt that this letter might interest some area people.

Grayling Jaycees!! I would like to thank you all who were responsible for the "red" barrel, in the river, located approximately 11 river miles down; it, in my estimation, has been a can-saver, even the canoe folks back track if they miss on a poor throw. Not all, but many!

I was wondering if I could impose on your precious time—and great ambition to attach (and I have no ideas, how?) on the barrel a sign stating that the adjoining property is not a canoe stop?

Within the last hour I have asked three fire builders to please move on to the canoe grounds, provided by the State and build a fire in the proper receptacles, and of which they were most cooperative. But we have many who are obnoxious. Again I thank you, you sure are doing a great job in our Grayling area in all fields you have attempted.

Most sincerely,  
Mary E. Harland  
P. S. The barrel is full.

## Mosquito Control

By Willard Bosserman  
Co. Ext. Natural Resource Agent

The formula for controlling mosquitoes was given a short time ago but was a little too early. Recently calls have been coming to our office requesting information about controlling them.

Some things can be done on individual properties which will keep the number down.

This program is made up of four parts: (a) Eliminating standing water. These areas involve stagnant pools, swamps, rain gutters, flat roofs, bird baths and other containers for water, holes in trees, auto tires, and other similar situations where stagnant water can be held for periods of time. (b) Keeping tightly covered all cisterns, rain barrels, tubs, cesspools, septic tanks and other somewhat permanent containers of water. (c) Mowing the lawn once a week, destroying weeds; this keeps adult mosquitoes from using the lawn and weed areas as a hiding place. (d) Insecticide treating of shrubs, flowers, trees, and other areas where adult female mosquitoes hide and nest.

The insecticide to use is a combination of Malathion and Methoxychlor. Use 4 ounce of 5% malathion plus 4 ounce of 25% methoxychlor in 2 1/2 gallons of water. For large amounts use 1/4 pints of 47% Malathion and 1 1/2 units of 25% methoxychlor in 100 gallons of

## Justified Criticism

Fatal diseases are occasionally painless until the terminal stage is reached. The ill person becomes adjusted to his condition and may deny he is even ill. At the cost of his life, he avoids diagnosis which only a qualified adviser can give him. So it is with nations.

Mr. Arnold Toynbee, the eminent British historian, as just returned to Britain from the United States. He has written of his visit much as a doctor diagnoses an ill patient. For one thing, he believes the U.S. people have lost their way. He views the United States as a semi-socialist country in which the public sector of the economy is gaining ground at the expense of the genuinely private sector.

He says, "The American taxpayer, and even the American Congressmen who vote the tax-money, can no longer keep track of how the money is being spent and what it is being spent on. He no longer believes at the Administration is telling him the truth. He is shocked by startling revelations of an official 'hidden' spending the taxpayer's money for objectionable purposes. The taxpayer's money has even been used to condition the tax-payer himself. We are witnessing a struggle in America for the American people's soul; and this struggle is fateful for us all."

The national malady that afflicts the United States not beyond cure. If the people have the will to do it, inflation and supergovernment can still be brought under control.

## McEvers - Gascho Vows Spoken June 17

The wedding of Miss Victoria Rae McEvers of 215 Alger, Grayling, and Mr. Richard Allen Gascho of 19215 Mapleview, Detroit, took place at two o'clock Saturday afternoon, June 17, 1967, in the chapel at Camp Barakel, Fairview, Mich. The couple met at Camp Barakel, both counseled there for several summers, and decided to return to that happy place to be married. The ceremony was performed by the Reverend Frank Frinkle of the Calvary Baptist Church. Sprays of white chrysanthemums were the floral decorations, along with the flickering flames of the three fireplaces in the chapel. Vicki is the daughter of Mr. Roy and the late Gladys McEvers of Grayling, and Richard the son of Mrs. Vivian Gascho and the late Edgar A. Gascho of Detroit.

Music for the wedding was by Mrs. Frank Frinkle, organist, Mrs. Holman Johnson of Camp Barakel and Mr. Samuel Meads, Detroit, soloists. Their selections were "I am His and He is Mine," "O Perfect Love," and "Dedication."

Given in marriage by her father, the bride chose a gown of white Chantilly lace in traditional style, the very full tiered skirt ending in a chapel train. Her Princess Margaret crown held a bouffant veil of silk illusion. She wore a pearl necklace, gift of the groom, and carried a cascade bouquet of baby mums, rosesbuds and ivy.

Maid of Honor was Mrs. Robert Niederer of Hazel Park, sister of the bride. Bridesmaids were Cathy Forbes, Grayling, Ruth Papenfus, Frederic and Brenda Bell, VanWert, Ohio. They wore princess style gowns of baby blue tulle with tulle over taffeta with moss green accessories. Each carried one large chrysanthemum. Flower girls were the bride's nieces, Cindy McEvers and Marj Niederer, dressed in pale yellow and carrying Colonial bouquets of mums.

Keith Gascho served his brother as best man. Ushers were Sheldon Wiens of Harper Woods, Kenneth O'Brien and Dan Crabtree, both of Detroit.

For her stepdaughter's wedding Mrs. McEvers wore a moss green knitted suit with off-white accessories. Mrs. Gascho chose a pale blue knitted suit.

A reception was held immediately following the wedding at the dining room of Camp Barakel. Hostesses were Miss Nancy Horski and Miss Debbie Williams. Music was by Paul Pincus on the piano, with Samuel Meads as soloist. The floral arrangements were done by the bride's aunt, Mrs. Harry McEvers.

The new Mr. and Mrs. Gascho left for a honeymoon in northern Michigan. After June 25th they will be at home at 909 Driscoll Court, Highland Park, Illinois. Mrs. Gascho is a graduate of Grayling High School and a 1967 graduate of Moody Bible Institute.
